President William J. Clinton
The White House
Washington, D.C. 20500

Dear President Clinton:

I am writing in support of David M. Teitelbaum's nomination to the President's Advisory Council for Historic Preservation. I have been well acquainted with his work for the last several years and can tell you that his experience with the many facets of historic preservation, from planning and design to contracting would place him among the very highest qualified candidates for the Council.

It is also my understanding that you have also received letters of recommendation from Vice President Gore, Richard Moe, the President of the National Trust for Historic Preservation, and many others. I add my voice to theirs in strong support of David Teitelbaum's nomination to the Advisory Council for Historic Preservation.

Please feel free to call upon me should you have any questions or need further information about David Teitelbaum's nomination as I am highly enthusiastic about his serving on the Council.

Best regards.

Sincerely,

Maurice D. Hinchey
